### **The Quicken and VeriPlan Lifetime Financial Planners: Comparison Topics Index**

*Summary: The Quicken "personal finances" organizer application includes Quicken "life event planners." The most comprehensive and integrated of these is the Quicken Retirement Planner, which projects the personal finances of a person or family across a lifetime. VeriPlan is a comprehensive and fully automated personal financial lifecycle planner for individuals and their families. In this series of short articles, The Skilled Investor compares the functionality of these Quicken and VeriPlan financial lifecycle planners.\* At the bottom of this article you will find links to the previous topic and the next topic. A link is also provided that returns you to this main topic list.*
