Quicken and VeriPlan Comparison: Product Licensing and Purchase

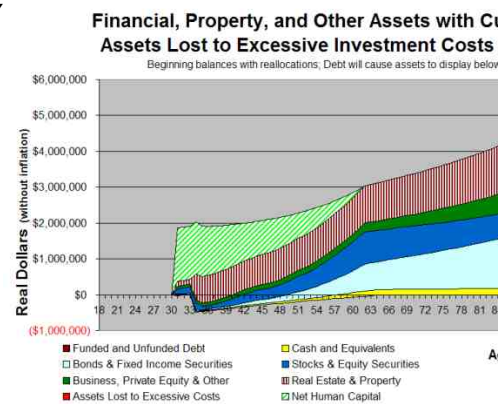

[In this series of short personal finance articles, *The Skilled Investor* compares the functionality of the Quicken and VeriPlan financial lifecycle planners.](#) At the bottom of this article you will find links to the previous topic and the next topic. A link is also provided that returns you to the main topic listing of this comparison.* **VeriPlan Personal Financial Lifecycle Planner** VeriPlan is a fully integrated and automated personal investment calculator and projection engine for lifetime financial planning. VeriPlan is licensed and is for personal, non-commercial use by one (1) household to develop a personal financial plan. The price of one end user license for VeriPlan is \$57.00, which includes free shipping and handling within the U.S. California residents pay applicable sales tax. **Quicken Retirement Planner** The Quicken Retirement Planner functionality is bundled into the Quicken expense tracking and bill paying software application. When this comparison was written, Intuit's list prices for Quicken versions with the Quicken Retirement Planner were: Deluxe (\$59.99), Premier (\$79.99), and Home & Business (\$89.99). Some of the long-term planning functionality is not available with the lower priced product.
