

Choose sufficiently mature mutual funds and ETFs

Category : Selecting Diversified Investment Funds -- Mutual Funds and ETFs

Published by [The Skilled Investor](#) on Jul/19/2005

Choose sufficiently mature mutual funds and ETFs Investing in more mature equity and bond mutual funds and exchanged-traded funds (ETFs) allows you to evaluate the historical consistency of a fund's record. Very young funds simply lack records of accomplishment. Thus, very young funds are more likely to put you in the position of being an experimental guinea pig of mutual fund and ETF companies. Please read this article on our new [Best No Load Funds](#) website for more information:
